

# Jesus Disciple | Network Leader Launch Guide

---

## Let's Get Started

### Welcome and Introduction Meeting

- Let's chat and get to know each other.
- Go over this guide together.
- Pick and finalize a name for your network.
- Explore the network leader resources web page.

## Time to Prepare

### Build Your Team

- Invite others to join you in launching a disciple making movement
- Regularly meet together to pray and share the vision of making disciples that make disciples (*See the NL Resource webpage for teachings, books, and videos that can assist in sharing the vision*)

### Craft Your Vision

- As a team, prayerfully write down your dreams and goals, including:
  - One or more Disciple Making Movements (DMMs) that you envision.
  - Who you want to reach out to.
  - The languages and nations you want to connect with, if it applies.
  - Other ministries you want to include, like building-style churches or media.

## Get Trained Up

### Watch the Trainings

- Learn how to set up your network.
- Discover how to use media and resources.
- Understand your reporting and progress dashboard.
- Sign the Network Administrator Agreement.
- Get your login details for the Jesus Disciple Administration portal.

## Getting Ready to Launch

### Plan Your Jesus Disciple Launch

- Pray and create a launch plan and timeline with your team. *Include a communication and promotion plan.*
